

# Teri Scott Named One of Canada's Top Female Entrepreneurs

**September 18th, 2014 –Toronto (Marketwire)** Peoplesource Staffing Solutions is proud to announce that President Teri Scott ranked #52 on the 16th annual W100 ranking of Canada's Top Female Entrepreneurs, produced by PROFIT, Canadian Business and Chatelaine.

Ranking Canada's Top Female Entrepreneurs on a composite score based on the size, growth rate and profitability of their businesses, the W100 profiles the country's most successful female business owners. Published in the October issue of Canadian Business, the November issue of Chatelaine and online at PROFITguide.com and chatelaine.com, the W100 is Canada's largest annual celebration of entrepreneurial achievement by women.

"This year's W100 represent the absolute best of Canada's business community," said James Cowan, Editor-in-chief of Canadian Business and PROFIT. "Female entrepreneurs are too often stereotyped as 'momprenuers' pursuing part-time hobby businesses. But the W100 demonstrate just how vital they are to driving innovation and growth in the economy."

"It's truly an honour and privilege to not only be ranked on this list, but to also be included alongside some of the most successful women in the country." said Teri Scott, President of Peoplesource. "It was never my intent to receive any accolades for my work, but it thrills me to see that what I'm doing at Peoplesource is leaving a lasting impression on those around me!"

"This is a proud day for me, having our leaders be publicly recognized for their craft and bringing along all the excitement it creates with their friends and families really makes me feel blessed and makes it all challenges well worth it." said Peoplesource and Wish Group CEO Frank Cianciulli. "This is certainly an honour that Teri has earned thanks to her passion for the business, as well as her unsurpassed commitment of ensuring the success of each and every one of her people and Peoplesource as a whole."

Teri began her career in Social Work for a government funded organization in the Kitchener-Waterloo region. Realizing that Social Work wasn't her true calling, Teri decided to further her education by obtaining her degree in Human Resource Management. After a few years working with the largest privately held human resource consultancy firm in North America Teri came to Peoplesource and began overseeing all six of the Peoplesource offices. In 2010, Teri was promoted to President and Co-Owner of Peoplesource.
