

Wish Group is Employee Certified as a Great Place to Work®

Toronto, ON – February 6 2017 – Wish Group, one of Canada’s fastest growing premier business solutions providers, was nominated by employees and certified as a Great Place to Work® through the national awards program.

“We have worked hard to build a team at Wish Group that thrives on transparency and growth,” says Frank Cianciulli, Chairman and CEO of Wish Group. “As a collection of diverse companies, it is the entrepreneurial spirit of the employees that keeps Wish Group performing better year over year.”

Wish Group attributes its success to a strong workplace culture that fosters growth and entrepreneurship. The [Great Place to Work® Certification Program](#) is the official standard demonstrating the highest level of workplace culture. The program ranks companies based on employee feedback, and the only way to become certified is if employees provide positive feedback. The evaluation process also includes an assessment of the organization and perspectives from the leadership team.

“Frank’s vision of creating an organizational culture that fosters growth and ownership amongst the team has served Peoplesource well,” says Teri Scott, President of Peoplesource Staffing Solutions (a Wish Group company). “The Great Place to Work Certification shows us that we have realized this vision, and I’m honoured to lead this amazing team.”

Wish Group is on the path to success and continues to build their award winning workplace culture through day-to-day practices and innovative group events like [Kickoff](#). Kickoff is an annual company event focused on building workplace connections and culture.
