

People Store Staffing Solutions Inc. Announces the Acquisition of portions of PEOPLEsource Staffing Solutions Inc. Assets as well as a Name Change.

December 2009

MISSISSAUGA, ONTARIO—(CNNMatthews – December, 2009) – People Store Solutions Inc. one of the fastest growing recruitment firms in Canada, announces today the strategic acquisition of portions of PEOPLEsource Staffing Solutions Inc. Assets and Name Change. The acquisition of Assets and Name Change comes hot on the heels of the company's ranking as the 8th fastest growing company in Canada on the annual PROFIT 100 Listing.

"The evolution from general staffing to specialized services is natural," says People Store President and founder, John Nalli. "Moving to a divisional based staffing platform allows for a more focused approach for both our customers and candidates. Over the years our extremely talented recruiters have helped to create an environment that produces diversification in offerings. As the fundamentals of staffing became more intricate, we found that our customers and candidates kept coming back to us for our unique understanding of how to deliver results in this changing landscape. The outcome was a re-branding which better speaks to the strengths of each of our 9 distinct service lines."

Boasting over 85 years of combined in-house staffing and recruitment expertise, People Store brings a deep understanding of the staffing industry nuances. With an active and growing talent database of 170,000+ people and a client base mostly made up of mid-size and Fortune 500 companies, People Store retains the experience and expertise to handle any staffing engagement.

People Store is proud to service Canada coast to coast, with specific attention, but not limited to, Mississauga, Toronto (including GTA North, East & West), Montreal, Vancouver, Calgary, Winnipeg and Halifax.

The following provides an overview of the specialty service lines available. People Store helps clients manage their human resources through 9 distinct service offerings: Finance & Accounting, Information Technology, Office Clerical, Sales & Marketing, Engineering & Mining, Warehouse & Industrial, Call Centre, Transportation & Logistics, and Management Professionals.
