

People Store®
Staffing Solutions Inc.

People Store announces the opening of their flagship location in USA.

People Store (USA) shown huge support with the opening of their first US-based branch office.

[Toronto, Canada – September 20, 2019] — [People Store Staffing Solutions](#), (People Store (USA)), with headquarters in Mississauga, Ontario announces the opening of their first American branch office in the State of Pennsylvania.

This move will allow People Store (USA) to effectually satisfy staffing needs across a broader scope of North America. As notable leaders in the staffing industry, People Store strategically selected this expansion in order to accommodate ever expanding market demands for reliable, and ethical staffing solutions.

“We are proud to announce the launch of People Store (USA), and we are eager to introduce our services to the American market” said John Nalli, People Store’s President and CEO, “We have successfully gained the trust of Canadian Businesses along with the associates that work for us.... we’re excited to deliver the same experience of success to our American partners.”

People Store is a leading staffing and recruitment solutions provider, catering to the industrial, warehousing, manufacturing and distribution sectors across North America.
