People Store is Canada's 25th Fastest Growing Corporation!

TORONTO, ONTARIO--(Marketwire - Aug. 30, 2012) - Recruitment firm People Store, announced their listing on the "13th annual PROFIT HOT 50 ranking" of the country's fastest growing companies. The prestigious report awarded the honor to the Canadian staffing agency having achieved 325% three year sales revenue growth, listing the company as 25th. Overall, People Store is the 8th largest Canadian company in terms of total sales revenue on the list.

"The PROFIT HOT 50 ranking is such a great way to monitor a company's growth," says People Store's President, John Nalli as he commented on the announcement. "We've got a strong and dedicated team that is hungry for success. Recognition on the PROFIT HOT 50 is a big confirmation that we're on the right road to becoming Canada's most reputable and highly respected staffing services provider."

"A talented and diverse group of entrepreneurs have built this year's HOT 50 companies," says Ian Portsmouth, Publisher and Editor-in-Chief of PROFIT. "Their creativity and ambition spell a bright future for their businesses, and point the way to success in Canada's ever-challenging economy." "The PROFIT HOT 50 companies represent the ambition, sophistication and immense contributions of Canada's entrepreneurial sector", says Profit's Editor Ian Portsmouth. "PROFIT is proud to celebrate the success of these businesses and to share their growth strategies."

This ranking comes hot off the heels of the company's 2012 listing as the "The Best" staffing firm to do business with, according to Readers Choice Magazine. The Canadian staffing industry is an extremely competitive sector, with over 200 active staffing firms in the GTA alone. As one of the largest staffing firms in GTA, People Store breaks the mold of other agencies with efficient, flexible, responsive and experienced recruiters who attract competitive candidates and support employers to ensure the right hire, every time.

John Nalli, President of People Store, began this enterprise after gaining several years of experience with other highly reputable staffing firms in Ontario. Frustrated with the larger firms' lack of attention to client needs, John decided to venture out and create a model that other staffing firms could emulate. Having won awards for business excellence and industry growth, People Store is leading the industry with quantified results.

People Store also believes in leading by example. This is demonstrated with an internal code of ethics embracing, honesty, integrity and partnership towards both clients and employees. The company gives back to the communities it represents by sponsoring a number of not-for-profit organizations and community betterment programs.

This spirit and dedication has proven to be one of the company's greatest assets. "This is the outcome of a lot of hard work," says People Store President, John Nalli. "I'm really excited for the future of this firm and all the employees who help make this a great place to work. If we're able to achieve these milestones year after year, the sky certainly is the limit. We will continually strive to help shape the future of the Canadian Staffing Industry."
